Become a Member of the Family Council

The first Family Council meeting was held Feb. 28th. The primary purpose of a family council is for families to be involved and influence the quality of care for residents. They also offer a forum to enhance communication with the facility staff and offer peer support for the relatives & friends of residents. We want to set up a council so that the group and facility staff can work together for prevention of problems that may affect the life of the residents.

Family Council will meet the fourth Tuesday of every month, 6pm - 7:30pm in the dining room. Please feel free to contact Tammy or Deanna in Social Services if you have any questions on the Family Council.

An Irish Wish

"May your thoughts be as glad as the shamrocks. May your heart be as light as a song. May each day bring you bright, happy hours that stay with you all the year long." —Irish saying

Time for Bingo!

Grab a card and join in a round or two of bingo. We play a variety of games, and it's always fun to see who will be the first to yell "Bingo!" See our calendar for the dates and times of this month's games.
