Dedication Ceremony

On May 17th during National Nursing Home Week we held a dedication ceremony and ribbon cutting ceremony for the **Theresa A. Oser Recreation Center**. Mayor Kathy Rose was present and addressed the attendees, Ms. Oser and her family.

Executive Director Jennifer Jennings stated, "We are doing so many improvements here at RNRC and generally dedications are done in memory of a person. When we decided we wanted to do it a bit differently and honor a current resident the only name that came to all of our minds was Theresa Oser. We wanted to honor her with this dedication. We appreciate that she has chosen to allow this facility to provide for her care over the years." A reception with refreshments was held in the Theresa A. Oser Recreation Center following the ribbon cutting.

Theresa has been at RNRC since 1994. Mayor Rose said that Ms. Theresa was at the facility when her mother, Betty Burch, was

Mayor of Riverside. When asked what she thought of the dedication, she replied, "I'm just so honored." while giving a big smile.

Theresa has seen many changes in facility ownership, healthcare regulation changes, staff and many residents come and go.

The recreation center is the hub of the facility and activities of music, bingo, crafts, games, movies and much more occur to provide social interaction and leisure for the residents.
